

Alecto DOM103

SMART-MOTION10

- NL** Deze sensor kan alleen aangemeld worden op een al eerder aangemelde Zigbee bridge. Wij garanderen een correcte werking op de Alecto SMART-BRIDGE10.
- FR** Ce capteur ne peut être connecté qu'à un pont Zigbee précédemment connecté. Nous garantissons le bon fonctionnement de l'Alecto SMART-BRIDGE10.
- DE** Dieser Sensor kann nur an einer zuvor angemeldeten Zigbee-Brücke angemeldet werden. Wir garantieren den korrekten Betrieb des Alecto SMART-BRIDGE10.
- GB** This sensor can only be linked on to a previously linked Zigbee bridge. We guarantee correct operation on the Alecto SMART-BRIDGE10.
- ES** Este sensor sólo puede conectarse a un usuario previamente conectado en el puente de Zigbee. Garantizamos el correcto funcionamiento del Alecto SMART-BRIDGE10.
- IT** Questo sensore può essere collegato solo ad un ponte Zigbee precedentemente connesso. Garantiamo il corretto funzionamento dell'Alecto SMART-BRIDGE10.
- PT** Este sensor só pode ser logado em uma ponte Zigbee previamente logada. Garantimos o correcto funcionamento do Alecto SMART-BRIDGE10.
- PL** Ten czujnik może być zalogowany tylko do wcześniej zalogowanego mostka Zigbee. Gwarantujemy poprawne działanie Alecto SMART-BRIDGE10.
- SE** Denna sensor kan endast anmälas på en tidigare anmäld Zigbee-bro. Vi garanterar en korrekt funktion på Alecto SMART-BRIDGE10.
- RO** Acest senzor poate fi conectat numai la o punte Zigbee legată anterior. Noi garantăm funcționarea corectă a dispozitivului Alecto SMART-BRIDGE10.

SPECIFICATIONS

Transport protocol:	Zigbee
Wireless frequency:	2.4 GHz
Working voltage:	2.4-3.3 V
Working current:	5 mA on average (Zigbee)
Standby current:	<20 uA
Detection range:	Up to 7 meters
Detection scope:	Up to 170°
Lifespan:	Up to 24 months (1500 detections a day)
Operating system:	Android 4.4+ or iOS 9.0+
Battery:	CR2450
Working temperature:	-10°C ~ 45°C
Relative humidity:	0% - 95%
Dimensions:	72xØ33 mm
Environment of use:	Only indoor!

DECLARATION OF CONFORMITY
Hereby, Hesdo declares that the radio equipment type Alecto SMART-MOTION10 is in compliance with directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:

NL

ATTENTIE!

- Zorg ervoor dat de SMART-MOTION10 binnen bereik van de SMART-BRIDGE10 is tijdens het registratie proces.
- Slik de batterij niet in!
- Houd het product uit de buurt van vloeistoffen en vochtigheid.

FR

ATTENTION!

- Assurez-vous que la SMART-MOTION10 soit dans la portée du SMART-BRIDGE10 durant le processus d'enregistrement.
- N'avalez pas la batterie!
- Eloignez toujours des liquides et de l'humidité.

DE

ACHTUNG!

- Stellen Sie sicher, dass sich die SMART-MOTION10 während der Registrierung in Reichweite des SMART-BRIDGE10 befindet.
- Schlucken Sie den Akku nicht!
- Von Flüssigkeiten und Feuchtigkeit fernhalten.

GB

ATTENTION!

- Make sure that the SMART-MOTION10 is within range of the SMART-BRIDGE10 during the registration process.
- Do not swallow the battery!
- Keep away from liquids and humidity.

ES

ATENCIÓN:

- Asegúrese de que la SMART-MOTION10 esté en el alcance del SMART-BRIDGE10 durante el proceso de registro.
- No se trague la batería!
- Mantener alejado de líquidos y de la humedad.

IT

ATTENZIONE!

- Assicurati che la SMART-MOTION10 sia nel raggio del SMART-BRIDGE10 durante il processo di registrazione.
- Non ingoiare la batteria!
- Tenere lontano da liquidi e umidità.

PT

ATENÇÃO!

- Certifique-se de que a SMART-MOTION10 está dentro do alcance do SMART-BRIDGE10 durante o processo de registo.
- Não engula a bateria!
- Mantenha afastado de líquidos e de humidade.

PL

UWAGA!

- Upewnić się, że SMART-MOTION10 znajduje się w zasięgu SMART-BRIDGE10 podczas procesu rejestracji.
- Nie połkać baterii!
- Trzymać z dala od płynów i wilgoci.

SE

OBS!

- Se till att SMART-MOTION10 kan nås av SMART-BRIDGE10 under registreringsprocessen.
- Svälj inte batteriet! Svälj inte batteriet!
- Undvik kontakt med vätskor och fukt.

RO

ATENȚIE!

- Asigurați-vă că SMART-MOTION10 se află în raza de acțiune a SMART-BRIDGE10 în timpul procesului de înregistrare.
- Nu înghițiți bateria!
- Nu lăsați produsul departe lichide și umiditate.
